Walking in the way of God's Heart." God comes directly to us to impact our walking through life. Today's focus statement: God's day of radiance is at hand. It is a new day! Let thanksgiving flow from your heart this day and through the rest of time and eternity! In Jesus we know full life—a dwelling with the Lord for a new day of hope and thanks! Come, walk in the way of God's heart. **The plastic bank passed during the offering time** is for coins (50 cents or so). This symbolizes our desire to combat world hunger. Proceeds are divided between MCC hunger projects and the local food pantry.
