Bless YHWH, my soul!

YHWH, my God, how great you are!
You fixed earth on its foundations so it
can never totter.

**You set springs gushing in ravines,
running down between mountains,
Supplying water for wild animals.
Trees put down their roots by the
water. Birds nest and sing among the
branches.**

You make fresh grass to grow for cattle
And plants for us to cultivate
To get food from the soil—
Wine to cheer our hearts, oil to make our
faces shine,
And bread to sustain our life.

**You made the moon to tell the seasons,
And the sun knows when to set.**

YHWH, what variety you have created,

***Arranging everything so wisely!
The earth is filled with your creativity!***

**All creatures depend on you to feed
them at the proper time**

Donkeys and storks,
Wild goats and lions,
Humans and whales.

**Give it to them—they gather it up.
Open your hand— they are well
satisfied.**

Take away their breath- they die and
return to dust.
Send back your breath— fresh life begins
And you renew the face of the earth.

**May you find joy in your creation,
YHWH,
As we take pleasure in You!**

Bless YHWH, O my soul! Alleluia!
